

Willoughby Monthly

Volume 4: July 11

Welcome to the July edition of the WM.

Weren't we lucky ? After a rather patchy few weeks weather wise the Willoughby Weekend was dry and warm. The events started with the sponsored run/walk raising money for VACC, followed by the visiting Morris Dancers. Eric Palmer opened the Fete which had all the usual attractions.

Inside:

Thursday Club	Parish Council
WI	Police
Cricket Club	WM
Willoughby Soc.	Future Events
Fête	

Sunday saw the Willoughby Challenge back to full strength after last years conflict with the World Cup!! (full results on the web site soon) and the Willoughby Society's event was well supported.

July is less busy but we will have to re-focus on the Crematorium plan as new documents were submitted last week, most importantly the updated Transport Assessment. You can get copies from the RBC web site planning section. VACC's experts will be analysing the new material and advising VACC on the grounds for objection. A VACC flyer will then be issued, and the web site updated to let you know what the best grounds for your objections are.

Do please support the VACC Auction of Promises on the 23rd July. VACC is also running a Prize Draw which will run until September 17th prizes include a a stay at Horwood House Hotel for two !! Books of tickets for yourself and to sell to others from Bert Ogle 891498. we need to make sure we have sufficient funds to employ the best advice to fight off this plan.

Thursday Club

On Thursday June 9th the Club enjoyed a garden party in Bob and Margaret O'Donnell's beautiful garden. The weather was kind to us and the rain held off, the food was very tasty, especially the cakes so kindly made for the event by some members, and the company was all you could hope for. We must give thanks to those members who kindly stepped in and helped out during the afternoon,

The Club is now having a summer break, but will resume on September 8th in the Village Hall when Celia Davies will talk to us about native butterflies and moths. Any non members who would like to come along to a meeting just from interest in the subject or to see if they would like to join the Club are always most welcome

Willoughby Women's Institute

On the 2nd July we will be enjoying our Garden Party at Hazeldene, fingers crossed the weather will be kind to us!!

Our July meeting is on the 21st at 7.30 pm in the Village Hall. Mrs. Justice will bring a selection of antique items with her for us to work out what they are and what they are used for.

The competition will be for a small antique item.

Visitors are welcome to join us for this unusual quiz night.

Willoughby Weekend

19 runners and walkers took part in the sponsored event in support of VACC. Jonathan Sarkies was first home followed by Amy Sarkies and Will Hewitt. Well done everyone and thanks to Ken and Sue Miles for organising the event. The full results are on the willoughbyweb .

Next up were the Morris Dancers:

The Morris Teams were organised by Warwick Folk Festival in conjunction with 'Arts on your Doorstep'.

They had danced earlier at Bishops Tachbrook and went on to Dunchurch Fete. As well as giving us a display of their dancing the younger dancers invited some of the spectators to have a go !! and then it was the Fete with all the usual attractions and the all important races that are more serious for some than others !! Thanks to everyone who helped and attended.

Willoughby Parish Council

Thanks to all those who helped run the Fête last weekend and also to everyone who came along and enjoyed the fun and games.

Please be aware that there has been a spate of break in's to garages. Sheds and vehicles in the area with a quad bike stolen in the Village and a vehicle break in. Please report anything suspicious to the police. We have tried several times to organise Neighbourhood Watch for the Village. If you are interested and willing to be involved please let Mike Thomas know on 891338.

It's that time of year when the hedges are growing fast. Please check your hedge, especially those next to the footpath to ensure it does not obstruct pedestrians and pushchairs.

The old problem of dog fouling is again becoming an issue. Please clean up after your dog and use the bins that have been provided.
